USS LEXINGTON MUSEUM ANNOUNCES \$2.50 GENERAL ADMISSION POWERED BY AEP TEXAS IN CELEBRATION OF AMERICA'S 250TH

CORPUS CHRISTI, TX — The USS Lexington Museum will host a press conference on **Monday, June 29th at 3:00PM** to announce a special Independence Day initiative celebrating **America's 250th anniversary**.

In partnership with **AEP Texas**, the Museum will announce **\$2.50 General Admission** for **Saturday, July 4**, providing families and visitors an affordable opportunity to explore one of the nation's most historic landmarks.

Through a generous **\$35,000 donation**, AEP Texas is underwriting the reduced admission rate, helping make history more accessible while ensuring the USS Lexington Museum can continue its educational mission without impacting critical operating revenue.

Museum leadership and AEP Texas representatives will be available to discuss the partnership, the importance of preserving history, and the role this initiative plays in expanding community access to educational experiences.

The announcement will also highlight AEP Texas' sponsorship of the USS Lexington Museum's annual **"Red, White, & Boom!" Fireworks Viewing Party** later that evening. Please note: **"Red, White, & Boom!" evening event tickets are sold separately** and are **not included with the discounted daytime general admission** during regular museum hours.
