Current members of any of these local visitor destinations may enjoy half-price reciprocal admission at six other attractions, with the exception of the **Art Center of Corpus Christi** that regularly has free admission, members will receive a free copy of *Corpus Christi Public Art Collection* book. Members will also receive 10 percent off in six of the gift shops, with the exception of the **Art Center of Corpus Christi**, where members will receive a 10% discount on February art classes. The third bonus is a 10 percent discount on any new membership—throughout February only! (**Be prepared to show your current membership card and photo identification at all facilities.**)

The February attraction partnership is designed so area residents can explore their hometown visitor destinations as tourists do, but at substantial cost reductions, while supporting these non-profit educational and cultural facilities!

All seven attractions regularly add, change, or update exhibits—so don't assume you've already seen it all! (The reciprocal benefit applies only to those family members covered on the home membership category.)

Call the participating attractions, or visit their websites for membership information, hours of operation, or other information.
