Blue Ghost at Kadabracon!

PORTLAND, TX. – Juan Carlos Ramos, creator and artist of the Blue Ghost graphic novel, based on the aircraft carrier USS Lexington (CV-16), is set to be the featured artist at the first ever Kadabracon. The comic convention is scheduled for Friday, September 29, through Sunday, October 1, at the Portland Community Center. Tickets are on sale now at [Kadabracon.com](https://www.kadabracon.com).

Kadabracon will feature celebrity guests, cosplay contests, panel discussions, photo ops, a haunted house, a car show, TCG tournament, video games, and vendors. Juan Carlos Ramos will be at the event, with copies of the Blue Ghost Ashcan #1 Preview Book, which includes the first few pages of the upcoming 32-page comic about the origin of The Blue Ghost mech, and exclusive Blue Ghost merchandise.

As the Blue Ghost comic is based off of USS Lexington (CV-16), the USS Lexington Museum will join Ramos at the event, with their own exclusive Blue Ghost merchandise. The comic is a collaboration between Ramos and the Museum - an official release date of the final 32-page book has yet to be announced.

Kadabracon ticket purchasers will receive a \$3 off discount at the USS Lexington Museum between Friday, September 29, and Sunday, October 1, by showing their Kadabracon ticket at time of purchase at the Museum's admission booth. Discount applies to ticket holder only.
